

Dear Entrepreneur,

By all accounts, the last Strategic Profits Live program was a hit, a smash, an unequivocal success!!!

People were saying, “how are you possibly going to top this one?”

To be honest, we weren't sure ourselves.

So we huddled in our conference room, started with a clean easel board, a bunch of markers and then we began to rack our brains. And you can't blame us either, just take a look at what a bunch of folks have said about the last event

...but ultimately, finally, despite the stress and indigestion we have created what we believe to be the single most powerful, life-altering, business-transforming event in the history of our industry.
