LATITUDE

EXPLORE

THE WORLD

Originally a commercial vessel, **Latitude** was painstakingly rebuilt, customized and reborn as a Bureau Veritas class Luxury Expedition Yacht that is truly unique to the world. With range and ability to stay at sea in safety and comfort for up to 40 continuous days, from Cabo to Galapagos, Panama to Alaska or beyond, **Latitude** truly offers access to the four corners of the world.

E X P É D I T I O N

Embark on an expedition that continues the tradition of world class adventure travel for the very privileged. Whether your passion is dorado, wahoo, tasty grouper, a sailfish on a

fly, the sly white marlin or a big black, the **Latitude** and 43' MARES sport-fish **Longitude** are the weapons of choice.

Mother ship

Latitude carries not only a

catamaran 43' sportfish, but also

a 25' catamaran center console, both 18' and 15' RIB inflatables, kayaks, windsurfers, water ski equipment, dive gear, fish tackle and more. Most importantly, her crew of 15 specialists

is always on hand providing all that is needed to feast, fish, dive and explore in **Latitude** ability and style. ■ Inside the designer Brazilian interior volumes of clean custom woodwork

envelop the great social layout, which

features luxury accommodations for up to

12 guests in 6 private staterooms, including a

large owner's suite with office overlooking

the pool and jacuzzi deck from a private

pilot house-level balcony.

*There is a purpose to the sea.
And, for those that reach out to her, reward.*
